Wholesale Price List

Crabbs Reynolds Taylor Company

SINCE SEEDSMEN 1880

Crawfordsville, Indiana, U. S. A.

TERMS OF SALE

Herewith we are pleased to quote prices for 1926 subject to market changes, and being unsold on receipt of orders.

It is not our custom to furnish seeds on a price basis, as we are careful to secure from our GROWERS absolutely the best seed obtainable at all times. The THREE most important things are—QUALITY-SERVICE-PRICE. Quality comes first, for if you do not get real quality you cannot expect to hold your trade. Second—comes Service. With our Service, we could be of no immediate benefit to you. Try our Service.

Next we have Price. You know that Quality Seeds are necessarily higher than cheap, low germinating seeds. Our prices are as reasonable as is consistent with the HIGH QUALITY of SEEDS.

TERMS: All Bills Purchased From This List Are Net June 1st, 1926 Regardless of Date of Purchase or 1 per cent Per Month if Paid Before Due. All Goods Shipped F. O. B., Crawfordsville, Unless Otherwise Specified. Bags Charged at Cost. Cartage Free.

We give no warranty, express or implied as to description, quality, productiveness, or any other matter connected with the goods we send out and we will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned.

TO OUR CUSTOMERS:—

We are entering upon another season with a considerable shortage in several very important commodities. Due to this condition we urge that you secure your anticipated requirements early. Prices on many items are bound to be higher, while some stocks are going to be impossible to obtain later.

Where you can anticipate ahead for your 1927 requirements we ask that you submit to us quantities wanted and we will quote best prices. If our traveling salesmen do not call on you when you are ready to place your order, please wire or call us.

Again we thank our many good customers for the business given us during 1925 and trusting that we shall receive a large portion of your 1926 business, we are

Yours respectfully,

Telegraphic Cipher or Cable Code for Weights

The telegraphic word for weights should always precede the cipher word for seeds. Please tell us in first word of telegram, how shipment is to be made "MAIL, EXPRESS or FREIGHT—thus "MAIL DACE CALM DAD CAMP," would read—"Mail at once three pounds Early Jersey Wakefield Cabbage Four pounds Large late Drumhead cabbage. EXPRESS DAINTY LABAN FREIGHT DECOP BALL, would mean Express at once ten pounds Early Curled Simpson Lettuce Freight Six hundred pounds Burpees Stringless Green Pod Beans.

Our customers will find this an inexpensive and quick way to secure seeds, when in a hurry. We cannot however hold ourselves responsible for any errors arising from incomplete messages or incorrect translation.

IMPORTANT This telegraphic cipher must be used **ONLY** on orders by telegraph or cable and never in written orders sent by mail.
